

NAME: Amos John T. Sarmiento

COURSE: BSCS-2A

DATE: Jan 30

SPECIFIC	I want to fulfill my shopping cart list (Headphones, Keyboards, and Ram)
MEASURABLE	Track my savings per week
ATTAINABLE	Saving at least 100 Pesos a week
RELEVANT	I hope to have a complete setup with my laptop
TIME-BOUND	It's possible in 4-5 Months

Additional Questions to answer:

- What are the possible challenges that may hinder you from achieving your goal? What will you do to successfully achieve you goal?
I've never actually saved up for anything before so consciously trying to save up is going to be harder because of my habit of buying whatever.
- How will I make sure that I'll be accountable of accomplishing this goal?
Every week I must have 100 pesos saved up.
- What are the things that will motivate me to accomplish my goal?
The thought of having a complete setup
- What are the possible rewards I could get from accomplishing this goal?
A complete laptop setup!
